

6. The granting of this application to produce State (Section 2) 4 as a dual completion is in the interest of conservation and the protection of correlative rights.
7. By copy of this application, all offset operators have been notified of Shell Oil Company's proposed dual completion.

In view of the facts set out above, it is respectfully requested that the New Mexico Oil Conservation Commission enter an order approving the proposed dual completion.

Very truly yours,

P. A. Dennie
Division Manager
