Subject: Notice of Intention
to Drill Location

State Land Office
Santa Fe, New Mexico

Attention: Mr. Guy Shepard
Commissioner of Public Lands

Gentlemen:

Reference your letter of September 18, 1951 regarding our notice of intention to drill on Lease B-9745-1.

The well is located in Lot 12 of Section 2, T-21-S, R-37-E, NMPM Survey, Lea County, New Mexico. It should be noted that Section 2 is an irregular makeup section consisting of 949 acres.

Enclosed herewith is a plat showing the correct location of the proposed well. Please attach this plat to Form C-101 and disregard the sketch on the face of the form.

Yours very truly,

J. D. Savage
