Gentlemen:

Due to the recently submitted gas-oil ratio test for your J. C. Estack Well No. 1 located in Unit T of Section 3, T-21-S, R-37-E, the well will be reclassified as an oil well in the Blinebry Oil & Gas Pool effective January 1, 1978, and the gas allowable will be cancelled that date.

Commission Order No. R-1670-N affords the operator of a well being reclassified from gas to oil in the Blinebry Oil & Gas Pool the opportunity to request that the District Supervisor reconsider the reclassification if the request is made within 10 days after notification, and if the request is accompanied by evidence to support such request.

Yours very truly,

OIL CONSERVATION COMMISSION
