Attention of Mr. R. F. Montgomery

Gentlemen:

Your letter of October 11, 1956, advised us that the location around our L. G. Hill No. 1-D, Section 4, Township 21 South, Range 37 East, had not been properly restored to its former condition in that the cellar had not been filled. You requested that we notify you when this work had been done.

This is to notify you that the location is now in good condition and ready for final inspection.

Yours very truly,

F. Z. Kellerman
Alternate for
District Superintendent
of Production
Eunice District
