New Mexico Oil Conservation Commission
P. O. Box 871
Santa Fe, New Mexico

Attention: W. B. Macey, Director

RE: Application for Non-standard gas proration unit for the
Famariss Petroleum Corporation Hill #1, Lea County, New
Mexico.

Gentlemen:

By this letter of application Famariss Petroleum Corporation wishes to state the following:

- (a) That the Famariss Petroleum Corporation, E. C. Hill #1 is located in Lot #10, of Section 4, Township 21 South, Range 37 East, 3300 F.N.L. and 1730 F.E.L. of the described section and was completed at a total depth of 6155' producing from perforations from 5630-5780; and 5800-5870.
- (b) That the location was moved 250 feet to the east from the center of the 40 acre unit of Lot #10, occasioned by topographical conditions and a pipe line "right-of-way". That prior to the movement of the location from the standard gas well location requirements, Famariss Petroleum Corporation contacted the New Mexico Oil Conservation Commission and the Shell Oil Company and obtained from them permission to locate the well as above described.
- (c) Therefore, the Famariss Petroleum Corporation hereby applies in accordance with Order No. 520, Rule 5, Subparagraph 6, for the formation of a non-standard gas proration unit in the Elinebry gas pool to be comprised of the following acreage, i.e., Lots 2, 7, and 10, of Sec. 4, T21S, R37E, Lea County, New Mexico. The units will consist of 120 acres more or less.
