RE: CURRY #1, UNIT C, S07-T21S-R37E

Gentlemen:

On February 10, 1997 the OCD submitted a letter to your office, in regards to the status of the above well. According to OCD production records, this well has not been a producing well since prior to 1992.

To this date no contact has been made by Campbell & Hedrick, as to your future plans of the status of this well. The OCD requires that you implement one of the options indicated below.

- 1) Perform any work necessary to place the well back into beneficial use.
- 2) Temporarily abandon this well according to Rule 203.
- 3) Plug and Abandon this well according to Rule 202.

To avoid any legal action we request that you exercise one of the options above and contact our office with your plans, by March 16, 1998.

We have enclosed a copy of the above rules for your reference. If you have any questions in regards to the procedures, please contact Gary Wink at 505-393-6161.

Sincerely,

CHRIS WILLIAMS
District I Supervisor
