Gentlemen:

This will advise that Continental Oil Company disconnected the Hawk B-9 No. 2 Well in Unit J, Section 9, T-21-S, R-37-E from El Paso Natural Gas Company's line on September 12, 1958.

We have been advised by Continental that gas from this well will be used for gas lift purposes, and until further notice the well will remain disconnected from El Paso's line.

Yours very truly,

EL PASO NATURAL GAS COMPANY
