Gentlemen:

Reference your letter of October 20, 1983, concerning the reclassification of the subject well from an oil well to a gas well in the Blinebry Oil and Gas Pool. Per telephone conversation of October 26, 1983, between Gilbert Quintana of the NMOCD, Santa Fe and Charles Herring of our office, Administrative Order NSP-617, dated November 5, 1962, established a Non-Standard Proration Unit of 40 acres for the subject well. This order will be applicable to the Southland Royalty "A" No. 6 for reclassification to a Blinebry gas well effective January 1, 1984. The C-102 currently on file will still be valid.

Yours very truly,

S. J. Okerson
