Gentlemen:

Due to the recently submitted gas-oil ratio test for the Southland Royalty A Well No. 6 located in Unit H of Section 9, T-21-S, R-37-E, the well will be reclassified as a gas well in the Blinebry Oil & Gas Pool effective January 1, 1984, and the oil allowable will be cancelled that date. Please advise when you have complied with the provisions of Division Order No. R-1670-N pertaining to the Blinebry Oil & Gas Pool in order that a gas allowable can be assigned.

Since the reported gas-oil ratio for the State S Well No. 3 located in Unit E of Section 32, T-22-S, R-38-E, is under 50,000/1, the Blinebry zone will be reclassified as oil and the gas allowable will be cancelled effective January 1, 1984.

Yours very truly,

OIL CONSERVATION DIVISION
