Dear Sir:

We are attaching Forms C-110 and C-104 for the Blinebry Zone of subject well and request that an allowable be assigned.

Forms C-110 and C-104 were previously submitted for the Drinkard formation and an allowable was assigned effective August 2, 1962. We request the Drinkard allowable be cancelled, pending administrative approval of the dual completion which is presently being processed, as we prefer to produce the Blinebry Zone while waiting for administrative approval.

Yours very truly,

V. E. Staley
Area Superintendent
