Gentlemen:

Due to the recently submitted gas-oil ratio test for the Blinebry zone in your Dauron Well No. 2 located in Unit A of Section 10, T-21-S, R-37-E, it will be reclassified to oil effective January 1, 1982, and the gas allowable will be cancelled that date.

If a change of transporter occurs due to this reclassification, please submit Form C-104 so indicating.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District 1
