Attention of Mr. Joe M. Ramey

Gentlemen:

Please refer to your request of October 17, 1962, for a Form C-110 indicating disposition of casinghead gas from our State 10 well No. 2, located in Unit E of Section 10, T-21S, R-37E.

Under date of October 9, 1962, Mr. A. L. Porter, Jr., informed our Roswell office that Administrative Order DC-215 had been revised to require parallel strings of tubing. We are presently attempting to obtain our Management's approval to install the parallel strings and the State 10 No. 2 is shut-in. The casinghead gas under this acreage is connected to Skelly Oil Company. When the parallel tubing strings have been installed, we shall file Form C-103 and Form C-110.

Yours very truly,

J. E. PARKER
District Superintendent
