Dear Mrs. Ray:

Pursuant to our telephone conversation of this date, this is to advise that the allowable for the Blinebry gas zone was canceled on the Continental Oil Company State 10 Well No. 2 located in Unit E of Section 10, T-21-S, R-37-E. This allowable cancellation was necessitated because of reclassification to an oil well and was effective July 1, 1962.

Attached please find a copy of our letter to Continental informing them of the reclassification of this well.

Yours very truly,

OIL CONSERVATION COMMISSION
