Hobbs, New Mexico October 3, 1963

Re: Application to Dual Complete New Mexico State "V", Well No. 6, Blinebry-Drinkard Pool, Lea County, New Mexico.

Mr. A. L. Porter, Jr., Secretary-Director New Mexico Oil Conservation Commission P. O. Box 871 Santa Fe, New Mexico

Dear Mr. Porter:

Humble Oil and Refining Company respectfully requests administrative approval to dual complete its New Mexico State "V", Well No. 6 as a Blinebry Oil-Drinkard Oil Well, Lea County, New Mexico, located in Unit "J", Section 10, T-21-S, R-37-E.

This well is presently classified as a Brunson-Ellenburger oil well. It is proposed to dually complete this well in such a manner as to permit the Blinebry Oil and Drinkard Oil to be produced through parallel strings of 2-1/16 inch tubing as shown on the attached sketch. Brunson-Ellenburger perforations will be squeezed off.

Very truly yours,

HUMBLE OIL & REFINING COMPANY

R. R. Alworth

District Superintendent

DFL/akf
