Application for Dual Completion Humble Oil & Refining Company's New Mexico State "V" No. 11 Blinebry and Tubb Pools, Lea County, New Mexico

11 7 7 7 7 7 7 21

New Mexico Oil Conservation Commission P. O. Box 871 Santa Fe, New Mexico

Attention: Mr. A. L. Porter, Jr.

Gentlemen:

Humble Oil & Refining Company respectfully requests Administrative Approval for a dual gas-gas completion for New Mexico State "V" Well No. 11 in the Blinebry and Tubb Pools.

New Mexico State "V" Well No. 11 was recompleted in the Tubb Oil Pool and Blinebry Gas Pool in January, 1959. This dual completion was approved by New Mexico Oil Conservation Commission on January 26, 1959. By letter dated February 2, 1959, Mr. R. F. Montgomery of the New Mexico Oil Conservation Commission notified Humble that the Tubb zone of the subject well had been reclassified as a gas well. Therefore, it is requested that a dual gas-gas completion be approved and the dual gas-oil completion approval be cancelled.

In support of this application we submit the following information:

- Humble Oil & Refining Company is the owner and operator
 of the New Mexico State "V" Lease located in Section 10,
 T-21-S, R-37-E, Lea County, New Mexico. Well No. 11
 is located 2080 feet from the South and West lines of
 Section 10.
- 2. The subject well was completed in the Hare Pool in December, 1953. In 1958 the well was plugged back and dually completed.
- 3. Completion of a dual gas-oil well in the Blinebry and Tubb Pool was approved by Order No. DC-720. Non-standard gas proration units were approved by Order NSP-469 and Order No. NSL-178 approved the unorthodox location.

in the second first care to decrease a second first of the

n de la composition La composition de la

The more of the second second

- 4. Based on the gravity of the produced liquid, the Tubb Pool Oil completion was reclassified as a Tubb Pool gas completion effective February 1, 1959. Therefore, it is requested that Order No. DC-720 be cancelled and approval be given for a dual gas-gas completion.
- 5. This application is further supported by a diagrammatic sketch, Application for Dual Completion, Form C-128, and a copy of the letter to off-set operators. A unit plat showing off-set operators and an electric log have been previously furnished your office.
- 6. All off-set operators were notified on this date by Certified Mail and furnished a copy of the Application for Dual Completion.

I hereby certify that the information given above is true and correct to the best of my knowledge.

Yours very truly,

HUMBLE OIL & REFINING COMPANY

At Hereby

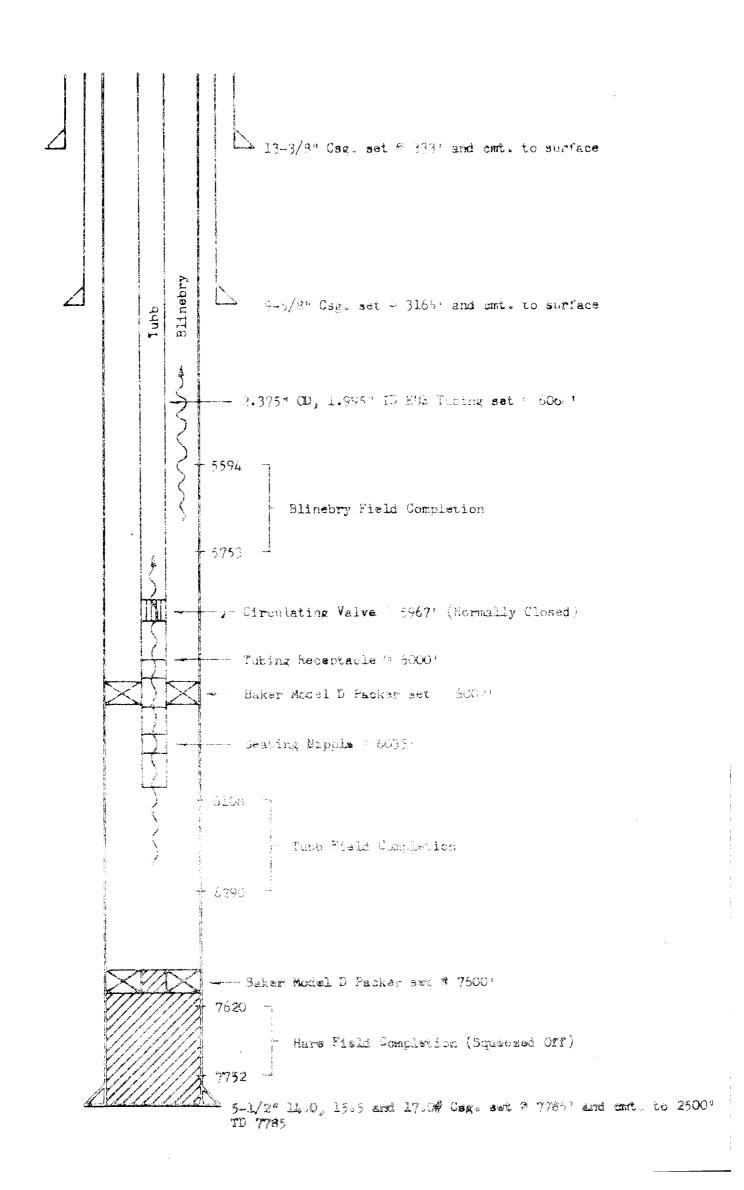

Subscribed and sworn to before me this 12th day of May, 1959.
