Re: N. Mex. State "V"
Well No. 11

Section 10, Township 21 South, Range 37 East - Lea County

## Gentlemen:

We have received an application from your office to dually complete subject well. The letter of transmittal attached to this dual completion application also asked authority for:

- (1) 120 acre non-standard gas proration unit.
- (2) unorthodox location and,
- (3) commingling.

Due to the administrative procedure we have set up, it will be necessary that you send this office three copies of your application for (1) above and three copies for (2) above in the proper manner. Your application to commingle the Blinebry condensate from well No. I with Blinebry oil from well No. I requires a hearing for an exception to Rule 303. If you desire this matter set for hearing, please make application therefor.

Also, if you have not already done so, please send two copies of dual completion application to the Hobbs office of the Oil Conservation Commission.

In the future please send the proper number of copies for each application as required by the Commission rules. This will save much time in processing your requests.

Very truly yours,

E. J. FISCHER
District Engineer
