Gentlemen:

Due to the recently submitted gas-oil ratio test for your Hawk B-3 Well No. 22 located in Unit L of Section 3, T-21-S, R-37-E, the well will be reclassified from an oil well to a gas well in the Blinebry Oil & Gas Pool effective January 1, 1980, and the oil allowable will be cancelled that date.

Please advise when you have complied with the provisions of Division Order No. R-1670-N governing gas wells in the Blinebry Oil & Gas Pool in order that a gas allowable can be assigned.

Yours very truly,

OIL CONSERVATION DIVISION

Supervisor, District 1
