DIL CONSERVATION COMMISSION

HOBBS, NEW MEXICO 88240

November 23, 1971

Shell Oil Company Box 1509 Midland, Texas 79701

Gentlemen:

Effective January 1, 1972, the following wells are reclassified as gas wells in the Blinebry Pool:

 Argo
 No. 8-K
 15-21-37

 Argo "A"
 No. 5-F
 22-21-37

 Sarkeys
 No. 2-K
 23-21-37

 Taylor Glenn
 No. 1-K
 3-21-37

These reclassifications are necessitated by the fact that the wells are producing at a ratio in excess of that allowed for an oil well classification.

The wells are to be shut in on January 1, and are to remain shut in until you have complied with the provisions of Commission Order No. R-1670 pertaining to the Blinebry Gas Pool.

Yours very truly,

OIL CONSERVATION COMMISSION

Joe D. Ramey Supervisor, District 1

JDR/BC

OIL CONSERVATION COMMISSION
