RE: PROPOSED ORDER NO. DC 293

Dear Mr. Macey:

I have examined the application for dual completion dated May 1, 1956  
for Shell Oil Co. Taylor Glenn #1- 3-21-37  
Operator Lease Name Well No. Unit S-T-R

and my recommendations are as follows:

Mechanics of DC are OK, however, the Blinebry should be an oil  
completion. CR

Recommend Shell ask for hearing to prove Terry-Blinebry horizontal  
limits should be moved in order not to conflict with Rule 26 R-610.

Yours very truly,

OIL CONSERVATION COMMISSION
