HOBBS, NEW MEXICO

XXX 1980

March 17, 1964

Mr. J. R. Cone
Box 871
Lubbock, Texas

Gentlemen:

As you know, the perforations in the Blinebry on your Eubanks No. 2 located in Unit L of Section 14, T-21-S, R-37-E extend below the vertical limits of the Blinebry Pool into a zone of "no nomenclature". This completion has been approved on a temporary basis by this office.

It is my understanding that Continental Oil Company will in the near future present testimony to the Commission and request that this zone of "no nomenclature" be included in the Blinebry Oil Pool. If their application is successful, then your completion will be approved permanently; if however their application is turned down, it will be necessary that you squeeze or block off the lower perforations in your Eubanks No. 2.

Yours very truly,

OIL CONSERVATION COMMISSION
