Gentlemen:

This is to advise that on July 1, 1982 the Conoco Inc.'s Lockhart B-14 #2 Tubb gas well located in Unit P of Section 14, Township 21-S, Range 37E, Lea County, New Mexico was temporarily disconnected from El Paso's gathering system. This meter run will remain on location, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to advise from operator and inability of the well to produce into El Paso's 100# gathering system. (Meter #61-020-01)
