Casing leak check

7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Cellar was cleaned out in order to expose all casing valve connections. Lines installed with valves at the surface and valves were labeled. Casing leak test was approved by Mr. Les Clements October 25, 1974.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
