Manager of the Shell Oil Company to make this report; and that this report was prepared

Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.

NOTE: If the proposed dual completion will result in an unorthodox well location and/or a non-standard proration unit in either or both of the producing zones, then separate application for approval of the same should be filed simultaneously with this application.

SHELL OIL CO.

ARGO No. 5

PROPOSED DUAL COMPLETION

DRINKARD OIL - TUBB GAS

Sec. 15, T-21-5, R-37-E
