State D "A" Well #5
UL I, Sect 16, 21-S, 37E
Lea Co. NM
API #30-025-06617

Dear Jerry,

Amerada Hess Corporation, as operator of the above captioned lease and well, intends to immediately evaluate production potential in the State D "A" #5, return this well to economic production, or properly TA the wellbore. A thirty (30) day period of analysis is respectfully requested at which time Amerada Hess will follow up with an appropriate C-103 detailing our plan of action.

Your consideration is appreciated.
