Gentlemen:

We have assigned a Blinebry oil allowable effective March 29, 1962 for your State D "A" Well No. 2 located in Section 16, T-21-S, R-37-E and we have reduced the Blinebry gas unit for your State D "A" Well No. 4 to 80 acres.

In order to complete our file for Well No. 2 please submit Form C-128 outlining the acreage dedicated to it. It will be necessary for you to apply for a Non-Standard Proration Unit Order for Well No. 4.

Your prompt attention to this matter will be appreciated.

Yours very truly,

OIL CONSERVATION COMMISSION
