Mr. Roy Yarbrough
Oil Conservation Commission
Hobbs, New Mexico

Dear Sir:

On or about June 13, 1951, Ellison and Sayers, trucking contractors, will transport approximately 800 barrels of crude oil from State "C" Tract 12, tank battery located in the NW/4 of Section 16, T-21-S; R-37-E to Stanolind Oil and Gas Company's Lois Wingerd #1, located in the NW/4 of Section 24, T-12-S; R-37-E, Lea County, New Mexico.

This oil will be used for acidizing operations in completing this well.

Yours very truly,

R. L. Hendrickson
Field Superintendent
