Mr. Roy Yarbrough
Oil Conservation Commission
Hobbs, New Mexico

Dear Sir:

On or about June 30th, 1951, Ellison and Sayers, trucking contractors, will transport approximately 400 barrels of crude oil from State "C" Tract 12, tank battery located in the NW/4 of Section 16, T-21-S; R-37-E to Stanolind Oil and Gas Company's T. W. Arnold "A" #1, located in the SE/4 of the NW/4 of Section 11, T-20-S; R-38-E.

This oil will be used for acidizing operations while completing well.

Yours very truly,

R. L. Hendrickson
Field Superintendent
