SUBJECT: Application For Dual
Completion, State "C"
Tract 12 No. 6-X,
Drinkard Field.

DC - 32

New Mexico Oil
Conservation Commission
Santa Fe, New Mexico

Gentlemen:

Stanolind Oil and Gas Company hereby files application for the dual completion of its State "C" Tract 12 No. 6-X, located in the NW/4 of Section 16, T-21-S, R-37-E.

This well is now completed in the Drinkard pay at 6578' to 6604' and 6659' to 6670'. The applicant plans to perforate the Tubbs pay from 6185' to 6285', and dually complete, using a Production Retainer Packer, for Tubbs gas and Drinkard Oil production.

As required by Rule 112-A, the following are attached:

- (1) A plat showing the location of all wells on applicant's lease, and all offset wells on offset leases.
- (2) A sketch showing the manner and method of applicant's proposed dual completion.

1. The first part of the document is a list of the names of the persons who have been named in the document.

2. The second part of the document is a list of the names of the persons who have been named in the document.

3. The third part of the document is a list of the names of the persons who have been named in the document.

4. The fourth part of the document is a list of the names of the persons who have been named in the document.

5. The fifth part of the document is a list of the names of the persons who have been named in the document.

6. The sixth part of the document is a list of the names of the persons who have been named in the document.

7. The seventh part of the document is a list of the names of the persons who have been named in the document.

8. The eighth part of the document is a list of the names of the persons who have been named in the document.

9. The ninth part of the document is a list of the names of the persons who have been named in the document.

10. The tenth part of the document is a list of the names of the persons who have been named in the document.

11. The eleventh part of the document is a list of the names of the persons who have been named in the document.

All offset operators have been furnished a copy of this letter of application, in order to notify them of applicant's intentions.

Yours very truly,

Ralph L. Hendrickson
Field Superintendent
