New Mexico Oil Conservation Commission  
P.O. Box 871  
Santa Fe, New Mexico

Attention: Mr. A. L. Porter, Jr.

Dear Sir:

J. W. Perry hereby petitions the New Mexico Oil Conservation Commission for Administrative Approval to dual complete his Lockhart #1 well as a gas well from the Blinney Gas Pool and as a gas well in the Tubbs Gas Field, Administrative Approval of an unorthodox location, and to establish an eighty (80) acre non-standard gas production unit in each field as provided in Order B-618, dated April 11, 1955, and in support thereof states as follows:

- (a) The J. W. Perry Lockhart Lease contains 80 acres. This land is described as follows:

N/2 SW/4 of Section 17, T-21-S, R-37-E, NMPN,  
Lea County, New Mexico.

The attached Exhibit "A" shows the location of this well on J. W. Perry Lockhart Lease together with the location of offset wells. The attached Exhibit "B" shows a diagrammatic sketch of the proposed dual completion.

- (b) Well #1 is located 990' from West Line and 2320 feet from South Line of Section 17, T-21-S, R-37-E. At present this well is producing from open hole interval 6400-6460 FTSD in the Drinkard Formation of the Drinkard Oil Pool. Well is presently pumping 3 1/2 BBLs Oils and 2 1/2 BBLs water. 5 1/2" casing is set at 6600' and cemented with 300 sacks. Well originally completed July 24, 1951.

- (c) That applicant proposes to dually complete the well in the following manner:

(1) Set permanent type bridge plug at 6550' to plug off Drinkard Formation.

(2) Perforate the 5 1/2" casing within the approximate intervals 5590-5930' in the Blinney Formation of the Blinney Gas Pool and perforate 5 1/2" casing within the approximate intervals 6200'-6350' in the Tubbs Formation in the Tubbs Gas Pool.

(3) Set production type packer between these perforations at approximately 6100' to separate the two pay zones.

(4) Produce the Tubbs Gas through the tubing and the Blinney Gas through the tubing-casing annulus.

(2)

(b) That the purpose of this application for registration is to protect the public interest in the investment of capital in the securities of the corporation.

(c) That the purpose of this application for registration is to protect the public interest in the investment of capital in the securities of the corporation.

(d) That the purpose of this application for registration is to protect the public interest in the investment of capital in the securities of the corporation.

(e) That the purpose of this application for registration is to protect the public interest in the investment of capital in the securities of the corporation.

Commissioner of the State of Texas, Austin, Texas

I hereby certify that the foregoing is a true and correct copy of the original as the same is on file in the office of the Secretary of State.

Very truly yours,
