Gentlemen:

Due to recently submitted gas-oil ratio tests, the Blinebry zones in the wells listed below will be reclassified from oil to gas effective January 1, 1980, and the oil allowables will be cancelled that date.

L. G. Warlick            No. 2   Unit B   Sec. 19, T-21-S, R-37-E  
L. G. Warlick "A"      No. 1   Unit I   Sec. 19, T-21-S, R-37-E

Please advise this office when you have complied with the provisions of Division Order No. R-1670-L governing gas wells in the Blinebry Oil & Gas Pool in order that gas allowables can be assigned.

If you have any questions regarding this reclassification, please contact this office.

Yours very truly,

OIL CONSERVATION DIVISION
