4. The following are attached: (Please mark YES or NO)
- YES** a. Diagrammatic Sketch of the Multiple Completion showing casing diameters and setting depths, centralizers and/or turbolizers and location thereof, gas valves, and perforated intervals, tubing strings, including diameters and setting depths, location and type of packers and valves, and other information as may be pertinent.
- YES** b. Plan showing the location of all wells on a plat, including the location of the well being completed, and the names and addresses of operators of all leases offsetting applicant's well.
- NO** c. Waivers consenting to such multiple completion from all offset operators, or evidence that said offset operators have been furnished copies of the application.
- NO** d. Electrical log of the well or other acceptable log showing the zones and intervals of perforation indicated thereon. (If such log is not available at the time of application, the applicant must submit the log as provided by Rule 112-A.)

5. List all offset operators in the lease on which this well is being completed, giving the correct mailing address.	
AMERADA PETROLEUM CORPORATION	Post Office Box 2040 Tulsa, Oklahoma
PAN AMERICAN PETROLEUM CORPORATION	Post Office Box 268 Lubbock, Texas
TEXACO INC.	Post Office Box 3109 Midland, Texas

6. Were all operators listed in Item 5 above notified and furnished with a copy of this application? **YES** ☒ **NO** ☐ If answer is yes, give date of such notification **August 17, 1962**

CERTIFICATE: I, the undersigned, state that I am the **District Manager** of the **Gulf Oil Corporation** (company), and that I am duly authorized to execute this report; and that this report was prepared under my supervision and direction and that the facts stated therein are true to the best of my knowledge.

Signature **N. A. SHELLSHEAR**

* Should waivers from all offset operators not be received within the twenty-day period, the New Mexico Oil Conservation Commission will hold the application for a period of twenty days after said twenty-day period, no protest nor request for hearing being filed. If no protest nor request for hearing is filed, the application will then be processed. If a protest is filed, the application will then be processed as a non-standard perforation unit in either or both of the producing zones, then separate application for a permit to complete the well shall be filed simultaneously with this application.
