Gentlemen:

Effective November 1, 1961 your Anderson No. 2 located in Unit I of Section 21, T-21-S, R-37-E is hereby reclassified as a gas well in the Blinebry Gas Pool. This reclassification is necessitated by your recent GOR test which indicates this well to be producing with a GOR in excess of 32,000.

This well is to be shut in and will remain shut in until you have complied with the provisions of Commission Order No. R-1670 pertaining to the Blinebry Gas Pool.

Yours very truly,
