Mr. S. E. Cone  
1st Nat'l Building  
Lubbock, Texas

Dear Mr. Cone:

With reference to your notice dated February 27, 1948 changing name of your location in Sec. 21, T. 21, R. 37 from Wantz to Anderson, our Santa Fe Office has questioned the reason for this change in as much as the Notice of Intention to Drill shows this as patented land the owner being Mary A. Wantz.

We assume that Mary A. Wantz has no interest in the mineral rights in this tract; if this is true, please advise us so we can correct our files.

Very truly yours,

Oil Conservation Commission
