

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ~~10 days~~ after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

UNITED STATES DEPARTMENT OF AGRICULTURE

WASHINGTON, D. C.

REPORT OF THE COMMISSIONER OF AGRICULTURE

For the Year Ending June 30, 1901

The following report was presented to the Senate and House of Representatives at their respective sessions on July 1, 1901.

The report contains a detailed account of the work of the Department during the year, and a statement of the condition of the various branches of the service.

The report is divided into two parts: a general report and a special report.

The general report contains a summary of the work of the Department during the year, and a statement of the condition of the various branches of the service.

The special report contains a detailed account of the work of the Department during the year, and a statement of the condition of the various branches of the service.

The report is published by the Government Printing Office, Washington, D. C.
