RE: RECLASSIFICATION OF WELLS
BLINEBRY OIL & GAS POOL

M.E. Wantz #1-N Sec.21, T21S, R37E
M.E. Wantz #8-0 Sec. 21, T21S, R37E

Gentlemen:

According to the recently submitted scheduled gas/oil ratio test the above-referenced wells will be reclassified from a prorated gas well to an oil well in the Blinebry Oil & Gas Pool effective January 1, 1993, and the gas allowables cancelled effective that date.

If for some reason you feel this test does not reflect the proper classification of the wells, please submit another test for our consideration by November 9, 1992.

If the wells are to be reclassified to oil wells in the Blinebry Oil & Gas Pool, please submit the following:

- Rec'd*
- 1) Revised C-102 outlining acreage to be dedicated to the Blinebry oil well.
 - 2) C-104 showing reclassification from gas to oil and designating transporters of oil and casinghead gas.
- Rec'd*

If you have questions concerning the above, please contact Evelyn Downs at (505) 393-6161.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I

ed

*will reclass. to oil
eff 1-1-93
Cancel gas allow.
