Gentlemen:

Due to the special gas-oil ratio test submitted for your M. E. Wantz Well No. 1 located in Unit N of Section 21, T-21-S, R-37-E, the well will be reclassified as a gas well in the Blinebry Oil and Gas Pool and the oil allowable will be cancelled effective Spetember 1, 1982.

Before a gas allowable can be assigned for the well, however, it will be necessary for you to comply with the provisions of Division Order No. R-1670 pertaining to gas wells in the Blinebry Pool. When these conditions have been met, we will assign a gas allowable for the well.

Yours very truly,

OIL CONSERVATION DIVISION
