(Note: Report result of multiple completion or well completion or recompletion report and log form.)

When a well is abandoned, the owner must file a report with the Geological Survey within 90 days of the date of abandonment. The report must include the following information: (a) Name of the well, (b) Location of the well, (c) Date of abandonment, (d) Reason for abandonment, (e) Estimated date of starting any future operations, and (f) True vertical depths for all markers and zones pertinent to the well.

REQUEST FOR ONE YEAR EXTENSION OF INITIAL REQUEST FOR TEMPORARY ABANDONMENT PERMIT.

The owner must submit a written statement in compliance with Commission regulations concerning the proper condition of the well as to the prevention of damage to the producing zone, migration of hydrocarbons or water, the contamination of fresh water or other natural resources, or the leakage of any substance at the surface.

WELL STATUS: TA

TEMPORARY ABANDONMENT DATE: 7-7-75
