Gentlemen:

Attached is our application to revise our acreage dedication plat for the subject.

We respectfully request a non-standard 40 acre gas unit for this well.

We have attached waiver letters from all offset operators except Marathon Oil Company. Marathon was sent a notice of this application on July 19th. To date we have not received any notice of their approval or disapproval of our application; therefore, we respectfully request an immediate approval of this application if all else is in order.

Yours very truly,

N. B. HUNT
