RE: ANNUAL SHUTIN PRESSURE TESTS - Form C-125
SHELL WESTERN E&P INC.
BLINEBRY OIL & GAS POOL
ARGO A #5-F Sec 22, T21S, R37E

The Blinebry zone in the above-referenced well was abandoned in 1990 when this well was recompleted to Hare San Andres Pool. So it should be removed from the Shutin Pressure Report in the Blinebry O&G Pool.

Thanks for your help.

Evelyn
