RE: Argo A #9-D, Sec.22, T-21s, R37e

Gentlemen:

The form C-103 requesting Temporally Abandon status for the Argo A #9 is being returned to you. According to the chart this well does not pass the requirements for a TA status. You need to repair this well or plug & abandon.

If you plan to repair the well and run another chart, please notify the Hobbs office so that an inspector can witness the test. The OCD Hobbs office must be notified 24 hours prior to the beginning of plugging operations.

If you have any questions on this matter, please call the Oil Conservation Division Hobbs office (505) 393-6161 for Gary Wink or Donna Pitzer.

Yours very truly,

OIL CONSERVATION DIVISION
