Gentlemen:

Due to the recently submitted gas-oil ratio tests for your Turner No. 3 located in Unit J and Turner No. 11 located in Unit N, both in Section 22, T-21-S, R-37-E, they are being reclassified as gas wells in the Blinebry Gas Pool effective December 1, 1965.

A gas allowable will be assigned these wells when you have complied with the provisions of Commission Order No. R-1670 pertaining to the Blinebry Gas Pool and have advised this office.

Yours very truly,

OIL CONSERVATION COMMISSION
