9 Greenway Plaza, Suite 2700
Houston, Texas 77046

Gentlemen:

Inasmuch as the recently reported gas-oil ratios for your wells listed below were less than 50,000 to 1, they are being reclassified as oil wells in the Blinbry Oil & Gas Pool effective January 1, 1983. The gas allowables will be cancelled and oil allowables assigned that date.

Brunson Argo	No. 1	Unit B	Section 9, T-22-S, R-37-E
D. A. Williamson	No. 1	Unit A	Section 23, T-21-S, R-37-E

Please submit two copies of a revised Form C-102 for the Brunson Argo No. 1 outlining a 40 acre proration unit for the oil classification. In the event that a change of transporter occurs for either of the wells due to the reclassification, please also submit Form C-104 so indicating.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District 1
