Lea County, New Mexico
OUP No. L-9007

We acknowledge receipt of your letter of February 23rd, advising that it will be necessary to change bond from Toklan Royalty Corporation to Toklan Production Company in connection with the change in lease ownership of the above.

We wish to advise that Blanket Bond covering operations of Toklan Production Company in the State of New Mexico was forwarded to the Oil Conservation Commission office at Santa Fe on February 26th.

Also, in connection with this change of ownership, we enclose Certificate of Compliance Forms C-110, executed in quadruplicate, dated March 1, 1951, to cover well No. 1 and dated February 20, 1951, to cover well No. 2.

Forms C-110 previously forwarded to you did not comply with your rules and regulations. We trust these are in order and will be approved. If not, please advise.

Very truly yours,

S. M. Bauer
Asst. Treasurer
