Re: OUR L-9007: Williamson No. 2  
C NE NW of Section 23-21S-37E  
Lea County, New Mexico

Gentlemen:

In reply to your letter of November 19th, I find we have an approved copy of Form C-110, but only an unapproved copy of Form C-104 together with a letter of transmittal to the Oil Conservation Commission at Santa Fe, New Mexico.

Therefore, find enclosed, a photostatic copy of approved Form C-110, letter of transmittal with copy of unapproved Form C-104 and quadruplicate Form C-104 requesting approval for gas allowable.

Additional enclosures include an electric log and sample log of both our Williamson #1 (Drinkard oil well) and Williamson #2 (Blinebry gas well) as provided for in Case #586, Order #R-372-A covering the Blinebry Gas Pool.

Yours very truly,

C. K. Smith, Superintendent
