Mr. Roy Yarbrough
Oil Conservation Commission
Hobbs, New Mexico

Dear Sir:

On or about February 7, 1951, Hardin & Houston, trucking contractors, will transport 500 bbls of crude petroleum from W. S. Capps SE 3 tank battery location in SE/4 SE/4 Section 3-19-38, to Stanolind Oil and Gas Company's M. L. Hester "A" #1, SE/4 SW/4 Section 6-20-39.

This oil will be used to acidize and perforate.

Yours very truly,

RALPH L. HENDRICKSON
