THE HISTORY OF THE UNITED STATES

CHAPTER I

The first settlers of the United States were the English, who came to the country in the early part of the seventeenth century. They found the land inhabited by the Indians, who were friendly to them.

THE FIRST SETTLEMENTS

The first settlement was made by the English in the year 1607, at Jamestown, in Virginia. It was founded by Captain John Smith.

The first settlement in the New England was made by the English in the year 1620, at Plymouth, in Massachusetts.

The first settlement in the Middle States was made by the English in the year 1614, at New Amsterdam, in New York.

The first settlement in the South States was made by the English in the year 1670, at Charleston, in South Carolina.

The first settlement in the West was made by the English in the year 1793, at San Francisco, in California.

The first settlement in the North was made by the English in the year 1607, at Jamestown, in Virginia.

The first settlement in the South was made by the English in the year 1670, at Charleston, in South Carolina.

The first settlement in the West was made by the English in the year 1793, at San Francisco, in California.
