Change in Ownership ( ) Other (X)

Remarks: (Give explanation below)

The New Mexico Oil Conservation Commission has reclassified this well.  
This C-110 is being submitted to change the Pool name to Eumont. The  
effective date is September 1, 1955.

\* The tank battery is located approximately in the center of the lease.  
This well has been recompleted as a dual oil and gas well. Permian Basin Pipeline Co.,  
transports the gas produced through the casing, and Phillips Petroleum Co., transports  
the gas produced in connection with the production of crude oil.

The undersigned certifies that the Rules and Regulations of the Oil Conservation Com-  
mission have been complied with.

Executed this the 19th day of July 19 55
