MISCELLANEOUS REPORTS ON WELLS

RECEIVED
DEC 2 1947
SUBMIT
OCS OFFICE

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

REPORT OF THE COMMISSIONER OF THE GENERAL LAND OFFICE

CHAPTER I. GENERAL STATE OF THE LANDS.

The following table shows the extent of the lands in the several divisions of the country, and the number of acres in each division, as ascertained by the returns made to the General Land Office, in the year 1850.

The lands are divided into three classes, viz. the lands of the Crown, the lands of the several States, and the lands of the several Counties. The lands of the Crown are those which have been granted to the Crown by the several States, and the lands of the several States are those which have been granted to the several States by the Crown. The lands of the several Counties are those which have been granted to the several Counties by the several States.

TABLE I. — Extent of the Lands in the several Divisions of the Country, and the Number of Acres in each Division, as ascertained by the Returns made to the General Land Office, in the year 1850.
