Re: Proposed Lease

Gentlemen:

I have examined the application dated 3/20/64

for the MacDonald Oil Corp. Gulf Mattern "A" #1-I 24-21-36  
Operator Lease & Well No. S. 712

and my recommendations are as follows:

As per conversation with Jim McPeters, this pkr. shall be set under compression  
(no hold-down). Both zones must be pumped .It is my opinion that this packer  
should be denied--recommend a permanent type---E.F.E.

O.K.---J.W.R.

Very truly yours,
