Gentlemen:

Due to the recently submitted gas-oil ratio test for your State D.C. Well No. 2 located in Unit E of Section 19, T-21-S, R-37-E, the Blinebry zone will be reclassified from oil to gas effective January 1, 1985, and the oil allowable will be cancelled that date.

Please advise this office when you have complied with the provisions of Division Order No. R-1670-N pertaining to gas wells in the Blinebry Oil & Gas Pool in order that a gas allowable can be assigned.

Yours very truly,

OIL CONSERVATION DIVISION
